This is a decision on the renewed petition filed on October 17, 2006, pursuant to 37 C.F.R. §1.181, requesting that the holding of abandonment in the above-identified application be withdrawn.

The above-identified application became abandoned for failure to reply within the meaning of 37 C.F.R. §1.113 in a timely manner to the final Office action mailed September 14, 2005, which set a shortened statutory period for reply of three months. An after-final amendment was received on January 23, 2006 along with a one-month extension of time, and an advisory action was mailed on February 9, 2006. No extensions of time under the provisions of 37 C.F.R. §1.136(a) were obtained, and no further responses were received. Accordingly, the above-identified application became abandoned on January 15, 2006<sup>1</sup>. A notice of abandonment was mailed on May 31, 2006.

The original petition was filed on June 26, 2006, and was dismissed via the mailing of a decision on September 11, 2006. Petitioner established that a Request for Continued Examination (RCE) along with a two-month extension of time had been timely

<sup>1</sup> It is noted that this response contained a certificate of mailing dated January 17, 2006. January 14, 2006 fell on a Saturday and January 16, 2006 was a federal holiday.

submitted, however the required fees were not supplied with the petition.

With this renewed petition, Petitioner has supplied both the fee associated with the filing of an RCE, along with the two-month extension of time required to make the original submission of the RCE timely.

Accordingly, the renewed petition under 37 C.F.R. §1.181(a) is **GRANTED**. The holding of abandonment is **WITHDRAWN**.

The Technology Center will be notified of this decision. The Technology Center's support staff will notify the Examiner of this decision, so that the RCE which was received with the original petition can be processed.

Telephone inquiries regarding *this decision* should be directed to the undersigned at (571) 272-3225<sup>2</sup>. All other inquiries concerning examination procedures or status of the application should be directed to the Technology Center.
